**Dr. Jordan** earned his medical degree from the University of Texas in 1977 after receiving a Bachelor of Science degree in Aeronautical Engineering, with merit, at the United States Naval Academy in 1966 and a Bachelors degree in Pre-Medicine from Cal Western in 1973. He completed his internship and residency at the Naval Regional Medical Center in Portsmouth, VA and was trained as a Designated Flight Surgeon through the United States Air Force Flight Surgeons' Course in 1977.

Dr. Jordan's practice is limited almost exclusively to adult and pediatric genitourinary reconstructive surgery, with a special interest in erectile dysfunction. Board certified in Urology, he is a Fellow of the American College of Surgeons and is an Honorary Member of the American Academy of Pediatrics. He has wide and varied academic interests and is an innovative leader in the field of genitourinary reconstructive surgery. He is keenly motivated in the area of investigation and has made notable contributions to Urologic literature. Dr. Jordan also participates in numerous national and international medical conferences and serves as a visiting professor at many centers throughout the world.
