Dr. Lance earned his medical degree from the Uniformed Services University of the Health Sciences in Bethesda, MD in 1991 after graduating from the University of Idaho in Moscow, ID with a degree in Chemistry in 1987. He served his internship at Walter Reed Army Medical Center in Washington, D.C. and completed his residency at Madigan Army Medical Center in Tacoma, WA in 1998. Dr. Lance completed his fellowship training in Urologic Oncology at the University of Texas-M.D. Anderson Cancer Center in Houston, TX in 2000.

Prior to completing his military obligation, Dr. Lance served as Chief of Urologic Oncology at Madigan Army Medical Center in Tacoma WA. Currently, he is The Paul F. Schellhammer Professor of Cancer Research and an Associate Professor of Urology at Eastern Virginia Medical School where he is involved in basic science research. Dr. Lance's interests are strongly rooted in teaching and research with a focused interest in urological cancers.
